

HEAL SYSTEMS™

PRIVACY POLICY

HEAL Systems Inc. (HSI) is committed to maintaining the accuracy, privacy, confidentiality, and security of your personal information.

1. GENERAL

- We will only collect your personal information (e.g., your name and contact details) through the request for contact information link on our website, and as part of any other specifically submitted inquiry or request for information. Except for the above, this website does not collect your personal information. Personal information will not be transferred to any third party unless otherwise stated at the time of collection.
- HSI does collect and maintain non-personal information in the form of statistics relating to the volume of visits to the website, the Internet protocol address of users, page views, unique page visits, types of operating systems and browsers used to access the website, and other similar analytical information. No attempt is made to correlate this information to any personal information submitted voluntarily.
- This website contains links to other sites. This privacy statement only applies to information collected at HSI's website. HSI is not responsible for privacy practices and policies of third party websites.
- If you require more information about our privacy practices, or have specific questions relating to your personal information, please contact HSI directly: info@healsystems.com.
